On a Slow Boat to China

Music by Frank Loesser © 1948 Frank Music Corp. JüLe 2010-04-14

I'd love to get you on a slow boat to China, all to myself, a lone. Get you and keep you in my arms evermore, leave all your lovers weeping on the faraway shore. Out on the briny with a moon big an shiny, melting your heart of stone, I'd love to get you on a slow boat to China, all to myself, alone.

Day In—Day Out

Music by Rube Bloom Lyrics by Johnny Mercer © 1939 JüLe 2006-09-14

Day in, day out
The same old hoodoo follows me about,
The same old pounding in my heart whenever I
think of you
and darling, I think of you
da in day out.

Day out, day in, I needn't tell you how my days begin. When I awake I awaken with a tingle, one possibility in view, Theat possibilityy of maybe seeing you. Come rain, come shine,
I meet you and the day is fine,
Then I kiss your lips and the punding become
the ocean's roar,
A thousand drums.
Can't you see it's love, can there be andy doubt,
when there it is, day in day out.

East of The Sun and west of the moon, We'll build a dreamhouse of love, dear. Near to the sun in the day, near to the moon at night we'll live in a lovely way, dear, Living on love and pale moonlights.

Just you and I,
forever and a day,
Love will not die.
We'll keep it that way.
Up among the stars we'll find a harmony of life to a
lovely tune,
East of The Sun and west of the moon, dear,
East of The Sun and west of the moon.

What a diff'rence a day made, twentyfour little hours, brougt the sound and the flowers where the used to be rain.

My yesterday was blue dear, today I'm part you you dear, my lonely nights are thru dear, since you said you were mine.

Whar a diff'rence a day makes, there's a rainbow before me, skies above can't be stormy since that moment of bliss; that thrilling kiss.

It's heaven when you find romance on you menu. What a diff'rence a day made, and the diff'rence is you.

If I Were A Bell

Lyrics and Music by Frank Loesser © 1950 JüLe 2009-12-23

Ask me how do I feel Ask me now that we're cosy and clinging Well sir, all I can say, is if I were a bell I'd be ringing!

F⁷

From the moment we kissed tonight That's the way I've just gotta behave Boy, if I were a lamp I'd light And If I were a banner I'd wave!

Ask me how do I feel, Little me with my quiet upbringing Well sir, all I can say is if I were a gate I'd be swinging!

And if I were a watch I'd start popping my

Or if I were a bell I'd go ding dong, ding dong ding!

Ask me how do I feel From this chemistry lesson I'm learning. SKY (spoken) Uh, chemistry? SARAH (spoken) Yes, chemistry! Well sir, all I can say is if I were a bridge I'd be burning! Yes, I knew my moral would crack From the wonderful way that you looked! Boy, if I were a duck I'd quack! Or if I were a goose I'd be cooked!

 $D^7 D^{\flat 0}$

Ask me how do I feel, Ask me now that we're fondly caressing Pal, if I were a salad I know I'd be splashing my dressin

Or if I wwere a season I'd surely be spring

Well, if I were a bell I'd go ding dong, ding dong ding!

Girl from Ipanema

Tall and tan and young and lovely,
The boy from Ipanema goes walking,
And when he passes, each one she passes goes –
"aaah".

When he walks, he's like a samba That swings so cool and sways so gentle And when he passes, each one she passes goes – "aaah".

Ooh, But I watch him so sadly How can I tell him I love him? Yes I would give my heart gladly – But each day, when he walks to the sea

He looks straight ahead, not at he (me)
Tall and tan and young and lovely
The boy from Ipanema goes walking
And when he passes, I smile – but he doesn't see.

tender trap

You see a pair of laughing eyes And suddenly your sighing sighs You're thinking nothing's wrong You string along, boy, then snap! Those eyes, those sighs, they're part of the tender trap

You're hand in hand beneath the trees
And soon there's music in the breeze
You're acting kind of smart,
until your heart just goes wap!
Those trees, that breeze,
they're part of the tender trap
Some starry night, when her kisses make you tingle

She'll hold you tight, and you'll hate yourself for being single
And all at once it seems so nice
The folks are throwing shoes and rice
You hurry to a spot, that's just a dot on the map
You're hooked, you're cooked, you're caught in the

And all at once it seems so nice
The folks are throwing shoes and rice
You hurry to a spot that's just a dot on the map
And then you wonder how it all came about
It's too late now there's no gettin' out
You fell in love, and love is the tender trap

Heaven is in your eyes Bright as the stars we're under Oh! is it any wonder I'm in the mood for love. Why stop to think of Wheather This little dream might fade? We've put our hearts together Now we are one, I'm not afraid!

If there's a cloud above If it hould rain we'll let it But for tonight forget it! I'm in the mood for love.

When dad and mother discovered one another, they dreamed of the day when they would love and honor and obey, and during all their modest spooning, their'd blush and speak of honeymooning, and if your memory recalls, they spoke of Niag'ra falls. But today, my darling, to day, when you meet the one you love, you say:

Come fly with me! Lets's fly! Let's fly away! If you can use some exotic booze, there's a bar in far Bombay, Come fly with me! Lets's fly! let's fly away!

Come fly with me! Lets's float down to Peru! In Llama Land there's a one man band and he'll toot his flute for you. Come fly with me! Lets's take of in the blue!

Once I get you up there, where the air is rarified, we'll just glide, starry eyed, once I get you up there, I'll be holding you so near, you may hear angels cheer, 'cause we're together. Weather wise it's such a lovely day!.

Just say the words and we'll beat the birds down to Acapulco Bay. It's perfect for a flying honeymoon, they say, come fly with me! Lets's fly! let's fly away!

Once I had a secret love That lived within the heart of me, All too soon my secret love Became impation to be free, So I told a freindly star, The way that dreamers often do, Just how wonderful you are, And why I'm so in love with you. Now I shout it from the highest hills,

Even told the golden daffodils; At last my heart's an open door, And my secret love's no secret anymore.

The moment I saw him smile
I knew he was just my style
My only regret
Is we've never met
Though I dream of him all the while

But he doesn't know I exist
No matter how I may persist
So it's clear to see
There's no hope for me
Though I live at fifty-one thirty-five Kensington
Avenue
And he lives at fifty-one thirty-three
How can I ignore

The boy next door
I love him more than I can say
Doesn't try to please me
Doesn't even tease me
And he never sees me glance his way

And though I'm heart-sore
The boy next door
Affection for me won't display
I just adore him
So I can't ignore him
The boy next door

I just adore him So I can't ignore him The boy next door

I'm so happy since the day
I fell in love in a great big way,
And the big surprise is someone loves me too.
Guess it's hard for you to see
Just what anyone can see in me,
But it simply goes to prove what love can do.

I've missed chances in Life's game, but my luck changed when an angel came And she picked on me for her affinity. She's not like most modern gal Wasting all her time on sporty pals, Now she's got a wholetime hob in loving me.

My baby don't care for shows, My baby don't care for clothes, My baby just cares for me! My baby don't care for fur and laces, My baby don't care for high-tone places. My baby don't care for rings, Or other expensive things, She sensible as can be. My baby don't care who knows it, My baby don't care for me! My baby don't care for jazz, A better idea she has, My baby just cares for me! My baby won't stand for outside petting, For theatres and joyrides she's not fretting. My Baby's no "gadabout." At home she's just mad about, 'Cause Baby's home-grown you see, My baby don't care who knows it, My baby don't care for me!

My baby dont care for shows
My baby dont care for clothes
My baby just cares for me
My baby dont care for cars and races
My baby dont care for high-tone places

Liz Taylor is not his style And even Lana Turners smile Is somethin he cant see My baby dont care who knows My baby just cares for me

Baby, my baby dont care for shows And he dont even care for clothes He cares for me My baby dont care For cars and races My baby dont care for He dont care for high-tone places

Liz Taylor is not his style
And even liberaces smile
Is something he cant see
Is something he cant see
I wonder whats wrong with baby
My baby just cares for
My baby just cares for
My baby just cares for me

I have given you my true love, But you love a new love. What am I supposed to do now With you now, you're through? You'll be on your merry way And there's only this to say:

I'm through with love
I'll never fall again.
Said adieu to love
Don't ever call again.
For I must have you or no one
And so I'm through with love.

I've locked my heart
I'll keep my feelings there.
I have stocked my heart
with icy, frigid air.
And I mean to care for no one
Because I'm through with love.

Why did you lead me to think you could care? You didn't need me for you had your share of slaves around you to hound you and swear with deep emotion and devotion to you.

Goodbye to spring and all it meant to me It can never bring the thing that used to be. For I must have you or no one And so I'm through with love.

You make me feel so young, You make me feel so "Spring has sprung",

And ev'ry time I see you grin, I'm such a happy individual.

The moment that you speak I wanna go play hide and seek. I wanna go and bounce the moon just like a toy balloon.

You and I are just like a couple of tots Running across the meadow, pickin' up lots of forget-me-nots.

You make me feel so young,

You make me feel there are songs to be sung,

bells to be rung, And a wonderful fling to be flung.

And even when I'm old and gray I'm gonna feel the way I do today 'Cause, You make me feel so young.

It Had To Be You, It Had To Be You, I wandered around and finally found the somebody who Could make me be true, could make me be blue, And even be glad, just to be sad, thinking of you.

Some others I've seen might never be mean, Might never be cross or try to be boss, but they wouldn't do, For nobody else gave me a thrill, with all your faults I love you still, It Had To Be You, wonderful you, Had To Be You.

Oh the shark has pretty teeth dear, and he shows them pearly white. Just a jack-knife has Mack Heath dear, and he keeps it out of sight.

When the shark bites with his teeth dear, scarlet billows start to spread. Fancy gloves do, wears Mack Heath dear, so there's not trace of red.

On the sidewalk Sunday morning lies a body oozing life.
Someone's sneaking around the corner. Is that someone Mack the Knife?

Yes from a tugboat by the river a cement bag drooping down.

And the cement's, for the weight dear.

You know that Mack Heath 's back in town.

Yeah Louis Miller disappeared dear, after drawing out all his cash.
And Mack Heath spends like a sailor.
Did our boy do something rash?

Suki Todre, Jenny Diver, Lotti Lenya, sweet Lucy Brown. Yes the line forms on the right dear, now that Mack Heath 's back in town.

We'll have Manhattan the Bronx and Staten Island too; it's lovely going through the Zoo.

It's very fancy on old Delancey Street, you know; the subway charms us so, when balmy breezes blow to and fro,

and tell me what street compares with Mott Street in July, sweet push carts gently gliding by.

The great big city's a wond'rous toy just made for a girl and boy. We'll turn Manhattan into an isle of joy. We'll go to Greenwich where modern men itch to be free; and Bowling Green you'll see with me.

We'll bathe at Brighton, the fish you'll frighten when you're in your bathing suit so thin will make the shellfish grin fin to fin.

I'd like to take a sail on Jamaica Bay with you; and fair Canarsie's Lakes we'll view.

The city's bustle cannot destroy the dreams of a girl and boy. We'll turn Manhattan into an isle of joy.

Verse:

My love must be a kind of blind love, I can't see anyone but you. And dear, I wonder if you find love An optical illusion too?

Chorus:

Are the stars out tonight? I don't know if it's cloudy or bright 'Cause I only have eyes for you, dear. The moon may be high, But I can't see a thing in the sky, 'Cause I only have eyes for you. I don't know if we're in a garden, Or on a crowded avenue. You are here, so am I, Maybe millions of people go by, But they all disappear from view, And I only have eyes for you.

You and the Night and the Music

stopp auf «You»

You and the night and the music fill me with flaming desire,

setting my being completely on fire!

You and the night and the music thrill me but will we be one, after the night and the music are done.

Until the pale light of dawning and daylight, our hearts will be throbbing guitars, morning may come without warning, and take away the stars.

If we must live for the moment, love till the moment is through! After the night and the music die will I have you?

Do nothin' till you her from me, At least consider our romance, If you should take the word of other's you've heard I havn't a chance. Thru, I've been seen with someone new But dues that mean that IÆm untrue? When we're apart the words in my heart reveal how I feel about you.

Once upon a time, before I took up smiling, I hated the moonlight! Shadows ot the night that poets find beguiling seemed flat as the noonlight. With no one to stay up for I went to sleep at ten. Life was a bitter cup for the saddest of alle men.

Once upon a time My heart was just an organ, My life hat no mission. Now that I have you, to be as rich as Morgan is my one amtition. Once I awoke a seven Hating the morning light. Now I awake in Heaven and all the world's all right.

Blue Moon – you saw me standing alone Without a dream in my heart, Without a love of my own;

Blue Moon – you knew just what I was there for you heard me saying a pray'r for, someone I could really care for.

And then there suddenly appeared before me the only one my arms will ever hold, I heard somebody whisper, "Please adore me." And when I looked, the moon had turned to gold!

Blue Moon – now I'm no longer alone without a dream in my heart, without a love of my own.

Here I go again. I hear the trumpets blow again. All aglow again, Takin' a chance on love.

Here I slide again; About to take that ride again. Starry eyed again, Takin' a chance on love.

I thought the cards were a frame-up;

I never would try.

But now I'm takin' the game up,

And the ace of hearts is high.

Things are mending now. I see a rainbow blending

We'll have our happy ending now, Takin' a chance on love.

Here I come again. I'm gonna make things hum

Acting dumb again, Taking a chance on love. Here I stand again, about to beat the band again.

Feeling grand again, Taking a chance on love.

I never dreamed in my slumbers and bets were taboo.

But now I'm playing the numbers on a little dream for two. Wading in again,

I'm leading with my chin again.

I'm startin out to win again, Taking a chance on love.

Here I slip again, About to take that tip again. Got my grip again, Taking a chance on love.

Now I prove again That I can make live move again.

In the groove again, Taking a chance on love I walk around with a horseshoe, In clover I lie. And brother rabbit, of course you better kiss your foot goodbye.

On the ball again, I'm ridin' for a fall again. I'm gonna give my all again, Taking a chance on love.

I was a stranger in the city.
Out of town were the people I knew.
I had that feeling of selfpity,
what to do! What to do? What to do?
The outlook was decidedly blue.
But as I walked through the foggy streets alone,
it turned out to be the luckiest day I've know.
A foggy day in London town

Had me low and had me down. I viewed the morning with alarm, the British Museum hat lost its charm.

How long I wondered, could this thing last? But the age of miracles hadn't passed. For, suddenly, I saw you there And through foggy London town the sun was shining ev'ry where.

Sometimes the world is a valley of heartaches and tears And in the hustle and bustle, no sunshine appears; But you and I have our love always there to remind us There is a way we can leave all the shadows behind us.

Volare, oh oh, cantare, oh oh oh. Let's fly way up to the clouds, Away from the madd'ning crowds. Let us sing in the glow of a star that I know of, Where lovers enjoy peace of mind;

Let us leave the confusion and all disillusion behind.

Just like birds of a feather, a rainbow together we'll find.

Final Refrain:

Volare, oh oh, cantare, oh oh oh oh.

No wonder my happy heart sings; Your love has given me wings. No wonder my happy heart sings; Your love has given me wings.

There's a smile on my face For the whole human race Why, its almost like being in love All the music of life seems to be Like a bell that is ringing for me

And from the way that I feel When that bell starts to peal I would swear I was falling I could swear I was falling Its almost like being in love

In Verona my late cousin Romeo Was three times as stupid as my Dromio. for he fell in love and then he died of it, Poor half-wit.

This can't be love, Because I feel so well, No sobs, no sorrows, no sighs.

This can't be love, I get no dizzy spell. My head is not in the skies,

My heart does not stand still

Just hear it beat!

Tir i i i Deal:

This is too sweet

to be love.

This can't be love because I feel so well, But still I love to look in your eyes.

This must be love, For I don't feeel so well – these sobs, these sorrow, these sighs.

This must be love, Here comes that dizzy spell, My head is up in the skies.

Just now my heart stood still

It missed a beat!

Life is not sweet -

This is love.

This must be love, For I don't fell so wel.

Alas ,I love to look in your eyes.

Every time I hear that march from Lohengrin I am always on the ouside looking in Maybe that is why I see the funny side When I see your fallen brother take a bride Weddings make a lot of people sad But If you're not the groom, they're not so bad

Another bride another June Another sunny honeymoon Another season, another reason For makin' whopee!

A lot of shoes, a lot of rice The groom is nervous, he answers twice It's really killing that he's so willing to make whoopee!

Picture a little love nest, Down where the roses cling, Picture the same sweet love nest, And think what a year can bring.

He's washing dishes and baby clothes he's so ambitious he even sews but don't forget folks that's what you get, folks, For makin'n whoopee! Another year or maybe less What' this I hear? Well can't you guess? She feels neglected, and he's suspected Of makin' whoopee!

She sits alone, 'most ev'ry night He doesn't 'phone her he doesn't write He says he's "busy", but she says "Is he?" He's makin' whoopee!

He doesn't make much money, Only five thousand per, Some judge who thinks he's funny, Say "You'll pay six to her."

He says "Now judge, suppose I fail" The judge says: "Budge right into jail» You'd better keep her, I think it's cheaper, Than makin' whoopee!"

Days can be sunny, with never a sigh.
Don't need what money can buy.
Birds in the tree sing their dayful of song.
Why shouldn't we sing along?
I'm chipper all the day,
happy with my lot.
How did Iget this way?
Look at what I've got

I got rhythm, I got music, I got my man. Who could ask for anythin more?

I got daisies in green pastures. I got my man. Who could ask for anything more?

Old Man Trouble, I don't mind him. You won't find him 'round my door.

I got starlight, I got sweet dreams, I got my man. Who could ask for anything more? Who could ask for anything more?
