Another bride another June Another sunny honeymoon Another season, another reason For makin' whopee!

A lot of shoes, a lot of rice The groom is nervous, he answers twice It's really killing that he's so willing To make whoopee!

Picture a little love nest, Down where the roses cling, Picture the same sweet love nest, And think what a year can bring.

He's washing dishes and baby clothes he's so ambitious he even sews but don't forget folks that's what you get, folks, For makin'n whoopee!

Another year or maybe less What' this I hear? Well an't you guess? She feels neglected, and he's suspected Of makin' whoopee!

She sits alone, 'most ev'ry night He doesn't 'phone her he doesn't write He says he's "busy", but she says "Is he?" He's makin' whoopee!

He doesn't make much money. Only five thousand per, Some judge who thinks he's funny, Say "You'll pay six to her."

He says "Now judge, suppose I fail" The judge says: "Budge right into jail" You'd better keep her, I think it's cheaper, Than makin' whoopee!"

Fill my heart with song, and let me sing for evermore; you are all I long for all I worship and adore. In other words, please be true! In other words I love you.

Once upon a time, before I took up smiling, I hated the moonlight! Shadows ot the night that poets find beguiling seemed flat as the noonlight. With no one to stay up for I went to sleep at ten. Life was a bitter cup for the saddest of alle men.

Once upon a time My heart was just an organ, My life hat no mission. Now that I have you, to be as rich as Morgan is my one amtition. Once I awoke a seven Hating the morning light. Now I awake in Heaven and all the world's all right.

Blue Moon - you saw me standing alone Without a dream in my heart, Without a love of my own;

Blue Moon – you knew just what I was there for you heard me saying a pray'r for, someone I could really care for.

And then there suddenly appeared before me the only one my arms will ever hold, I heard somebody whisper, "Please adore me." And when I looked, the moon had turned to gold!

Blue Moon – now I'm no longer alone without a dream in my heart, without a love of my own.

After you've gone, and left me crying; after you've gone, there's no denying; you'll fell blue, you'll feel sad, you'll miss the dearest pal you've ever had; There'll come a time, now don't forget it; there'll come a time, where you'll regret it; Some day, when you grow lonely, your heart will break like mine and you'll want me only, after you've gone, after you've gone away.

After I'm gone, after we break up; after I'm gone you're gona wake up; you will find, you were blind, to let somebody come and change your mind; After the years, we've been together, their joy and tears, all kinds of weather; Some day, blue and down hearted, you'll long to be with me right back where you started; after I'm gone, after I'm gone away.

Ev'ry time we meet, my heart skips a beat, we don't stop to speak, tho' it's just a week. Ev'ry body knows you left me, It's The Talk Of The Town.

We send out invitations to friends and relations announcing our wedding day. Friends and our relations gave congratulations. How can you face them? What can you say?

Let's make up, sweetheart, we can't stay apart, don't let foolish pride keep you from may side. How can love like ours be ended? It's The Talk Of The Town.

The moment I saw him smile I knew he was just my style My only regret Is we've never met Though I dream of him all the while

But he doesn't know I exist No matter how I may persist So it's clear to see There's no hope for me Though I live at fifty-one thirty-five Kensington Avenue And he lives at fifty-one thirty-three

How can I ignore The boy next door I love him more than I can say Doesn't try to please me Doesn't even tease me And he never sees me glance his way

And though I'm heart-sore The boy next door Affection for me won't display I just adore him So I can't ignore him The boy next door

I just adore him So I can't ignore him The boy next door

Those fingers in my hair, That sly come-hither stare, That strips my conscience bare, It's witchcraft.

And I've got no defense for it, The heat is too intense for it, What good would common sense for it do? 'Cause it's witchcraft, Wicked witchcraft, And although, I know, it's strictly taboo.

When you arouse the need in me, My heart says yes indeed in me, Proceed with what you're leading me to.

It's such an ancient pitch, But one I wouldn't switch, 'Cause there's no nicer witch than you.

I have given you my true love, But you love a new love. What am I supposed to do now With you now, you're through? You'll be on your merry way And there's only this to say:

I'm through with love I'll never fall again. Said adieu to love Don't ever call again. For I must have you or no one And so I'm through with love. I've locked my heart I'll keep my feelings there. I have stocked my heart with icy, frigid air. And I mean to care for no one Because I'm through with love.

Why did you lead me to think you could care? You didn't need me for you had your share of slaves around you to hound you and swear with deep emotion and devotion to you.

Goodbye to spring and all it meant to me It can never bring the thing that used to be. For I must have you or no one And so I'm through with love.

Verse: Of all the boys I've known, and I've known some Until I first met you I was lonesome And when you came in sight, dear, my heart grew light And this old world seemed new to me. You're really swell, I have to admit, you Deserve expressions that really fit you And so I've wracked my brain, hoping to explain All the things that you do to me

"Bei mir bist Du schön." please let me explain, "Bei mir bist Du schön." means that you're grand. "Bei mir bist Du schön." Again I'll explain, It means you're the fairest in the land. I could say "Bella, Bella," even say "Voonderbar," Each language only helps me tell you how grand you are. I've tried to explain, "Bei mir bist Du schön," So kiss me and say you understand.

Bei mir bist du schön, Please let me explain Bei mir bist du schön, Means that you're grand. I've tried to explain, Bei mir bist du schön So please tell me that you understand I could say you're the top You're the apex You're delovely.

I love Paris in the summer when it sizzles,

I love Paris in the winter when it drizzles

I love Paris ev'ry moment, ev'ry moment of the year, I love Paris, why, oh why do I love Paris? Because my love is nere.

My yesterday was blue dear, today I'm part you you dear, my lonely nights are thru dear, since you said you were mine.

Whar a diff'rence a day makes, there's a rainbow before me, skies above can't be stormy since that moment of bliss; that thrilling kiss.

It's heaven when you find romance on you menu. What a diff'rence a day made, and the diff'rence is you.

Siempre que te pregunto / Que, cuándo, cómo y dónde / Tú siempre me respondes / Quizás, quizás, quizás

Y así pasan los días / Y yo, desesperando Y tú, tú contestando / Quizás, quizás, quizás Estás perdiendo el tiempo / Pensando, pensando / Por lo que más tú quieras / ¿Hasta cuándo? ¿Hasta cuándo?

Y así pasan los días / Y yo, desesperando Y tú, tú contestando / Quizás, quizás, quizás Estás perdiendo el tiempo / Pensando, pensando / Por lo que más tú quieras / ¿Hasta cuándo? ¿Hasta cuándo?

Y así pasan los días / Y yo, desesperando Y tú, tú contestando / Quizás, quizás, quizás

You won't admit you love me and so / How am I ever to know / You only tell me / Perhaps, perhaps, perhaps

A million times I ask you and then / I ask you over again / You only answer / Perhaps, perhaps, perhaps

If you can't make your mind up / We'll never get started / And I don't want to wind up / Being parted, broken hearted

So if you really love me say, "yes" / But if you don't, dear, confess / And please don't tell me / Perhaps, perhaps, perhaps

Did you say "I've got a lot to learn?" Well, don't think I'm trying not to learn, Since this is the perfect spot to learn, Teach Me Tonight.

Starting with the "A, B, C" of it, Right down to the "X, Y, Z" of it, Help me solve the mystery of it, Teach Me tonight.

The sky's a blackboard high above you, If a shootin' star goes by I'll use that star to write I love you, A thousand times across the sky.

One thins isn't very clear, my love, Should the teacher stand so near, my love, Graduation's almost here, my love, Teach Me Tonight.

April in Paris, Chestnuts in blossom, Holiday tables under the trees.

April in Paris, This is a feeling No one can ever reprise.

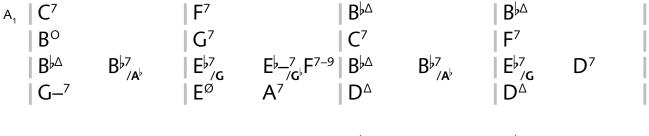

I never knew the charm of spring, Never met it face to face.

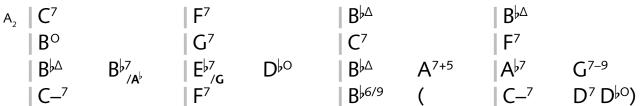

I never knew my heart could sing, Never missed a warm embrace,

till April in Paris, Whom can I turn to, What have you done to my heart?

If I Were a Bell

Lyrics and Music by Frank Loesser 1950

8 T. S: C-H-B. Ding dong ding instr.

Ask me how do I feel Ask me now that we're cosy and clinging Well sir, all I can say, is if I were a bell I'd be ringing!

From the moment we kissed tonight That's the way I've just gotta behave Boy, if I were a lamp I'd light And If I were a banner I'd wave!

Ask me how do I feel. Little me with my quiet upbringing Well sir, all I can say is if I were a gate I'd be swinging!

And if I were a watch I'd start popping my

Or if I were a bell I'd go ding dong, ding dong ding!

Ask me how do I feel From this chemistry lesson I'm learning. SKY (spoken) Uh, chemistry? SARAH (spoken) Yes, chemistry! Well sir, all I can say is if I were a bridge I'd be burning! Yes, I knew my moral would crack From the wonderful way that you looked! Boy, if I were a duck I'd quack! Or if I were a goose I'd be cooked!

Ask me how do I feel, Ask me now that we're fondly caressing Pal, if I were a salad I know I'd be splashing my dressin

Or if I wwere a season I'd surely be spring

Well, if I were a bell I'd go ding dong, ding dong ding!

My baby don't care for rings,

My baby don't care who knows it,

My baby don't care for me!

My baby don't care for jazz,

A better idea she has,

My baby just cares for me!

My baby won't stand for outside petting,

For theatres and joyrides she's not fretting.

My Baby's no "gadabout."

At home she's just mad about,

'Cause Baby's home-grown you see,

My baby don't care who knows it,

My baby don't care for me!

My baby dont care for shows

My baby dont care for clothes

My baby just cares for me

My baby dont care for cars and races

That Ole Devil Called Love

Music & Lyrics Allen Roberts & Doris Fisher 1944

B (C-7). S + 2 T

It's that ole devil called love again gets behind me and keeps givin' me that shove again, putting rain in my eyes, tears in my dreams, and rocks in my heart.

It's that sly sun-of-a-gun again, he keeps telling me that I'm the lucky one again, but I still have the rain still have those tears and those rocks in my heart.

Suppose I didn't stay, and ran away, wouldn't play that devil, what a potion he would brew. He'd follow me around, Build me up, tear me down, till I'd be so bewildered, I wouldn't know what to do.

Might as well give up the fight again, I know darn well he'll convince me he's right again, hen he sings that siren song I just gotta tag along With that ole devil called love

A kiss on the hand may be quite Continental But diamonds are a girl's best friend. A kiss may be grand But it won't pay the rental on you humble flat Or help you at the Automat. Man grow cold as girls grow old And we all lose our charme in the end. Bud squarecut of pearshape. These rocks don's lose their shape. Diamonds are a girl's best friend.

There may come a time when a lass needs a lawyer. But diamonds are a girl's best friend. There may come a time When a hard boiled employer thinks you're awful nice. But get that "ice" or else no dice. He's you guy when stocks are high. But beware when they start to descend. It's then that those louses go back to their spouses.

Come Fly With Me

I: letzte 8 T. p-voc S: 2x

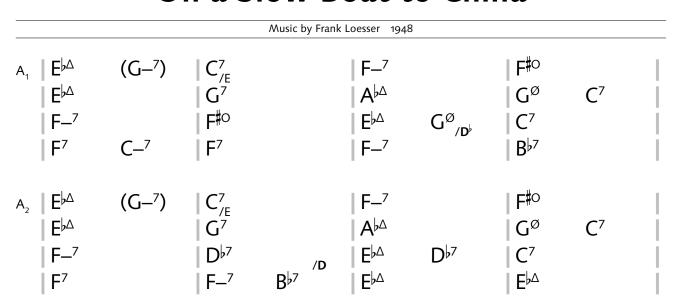

When dad and mother discovered one another, they dreamed of the day when they would love and honor and obey, and during all their modest spooning, their'd blush and speak of honeymooning, and if your memory recalls, they spoke of Niag'ra falls. But today, my darling, to day, when you meet the one you love, you say:

Come fly with me! Lets's fly! Let's fly away! If you can use some exotic booze, there's a bar in far Bombay, Come fly with me! Lets's fly! let's fly away! Come fly with me! Lets's float down to Peru! In Llama Land there's a one man band and he'll toot his flute for you. Come fly with me! Lets's take of in the blue!

Once I get you up there, where the air is rarified, we'll just glide, starry eyed, once I get you up there, I'll be holding you so near, you may hear angels cheer, 'cause we're together. Weather wise it's such a lovely day!.

Just say the words and we'll beat the birds down to Acapulco Bay. It's perfect for a flying honeymoon, they say, come fly with me! Lets's fly! let's fly away!

When the day fades away into twilights, the moon ist my light of love, In the nicht I am quite a romancer, I find an answer above. To bring me consolation, you're my inspiration. This is my imagination.

Time on my hands, You in my arms, Nothing but love in view; Then if you fall, Once and for all I'll see my dreams come true, Moments to spare for someone you care for; one love affair for two. With time on my hands And you in my arms And love in my heart all for you.
